APRESENTAÇÃO

Hi there! Eu sou a Teacher Aline Serpa, sua professora de Inglês aqui no Profissão Policial. Vou te contar um pouco sobre minha trajetória profissional para que você me conheça melhor.

Sou pós-graduada em Ensino de Língua Inglesa pela PUC-MG, sou Mestre em Letras e tenho Certificação CELTA de Ensino de Língua Inglesa pela Universidade de Cambridge.

Durante muito tempo preparei alunos para testes internacionais de proficiência em Língua Inglesa e há 13 anos leciono para alunos de carreiras militares e policiais.

Meu objetivo aqui é desmistificar o aprendizado da Língua Inglesa para o seu concurso da PRF.

A banca costuma cobrar muita interpretação de texto, mas você deve estudar os tópicos gramaticais pois eles irão facilitar a sua leitura e compreensão do texto, proporcionando mais chances de acertar questões. Muitos candidatos cometem esse erro. Eu tenho certeza de que você não será um deles pois nós seguiremos nessa caminhada lado a lado.

A prova de 2021 apresentou 8 questões para os candidatos resolverem, logo vemos que a disciplina tem uma importância significativa para o seu estudo. Aqui fica uma dica essencial: leia textos ou fragmentos de texto em inglês, se possível, todos os dias. Acostume-se com a língua.

Ao longo das próximas aulas, estudaremos os seguintes tópicos de Inglês:

AULA	NOME DA AULA
1	Interpretação de Textos
2	Pronomes
3	Substantivos

1 INTERPRETAÇÃO DE TEXTOS

1.1 Vocabulary

Vocabulário é construção: as listas te ajudarão, mas nunca existirá uma lista definitiva de palavras, portanto leia sempre e mantenha a sua lista individual de vocabulário atualizada.

Crie seu próprio dicionário personalizado:

- Dedique-se a aprender 3 palavras novas por dia;
- Palavras separadas por ordem alfabética;
- Classe gramatical (adjetivo, advérbio, verbo etc);
- Tradução/definição (de acordo com a classe gramatical);
- Sinônimo e antônimo em Inglês (thesaurus.com);
- Leia o seu dicionário personalizado frequentemente.

1.2 Sugestões de sites e aplicativos

Os seguintes sites e aplicativos serão excelentes fontes para a prática de leitura e estudo de vocabulário:

- <https://abcnews.go.com/>
- <https://www.nytimes.com/>
- <https://www.theguardian.com/us>
- <https://edition.cnn.com/>
- <https://www.bbc.com/news>
- <https://www.newsweek.com/>
- <https://www1.folha.uol.com.br/internacional/en/>
- <https://www.newsinlevels.com/>
- <https://www.daysinlevels.com/>
- Comic strips – Google

- DUOLINGO
- SQUID
- BBC Learning English

1.3 Inglês com música

- Selecionar uma música;
- Ler a letra da música;
- Identificar palavras conhecidas e estruturas gramaticais já estudadas;
- Tentar entender o significado de determinadas expressões;
- Conferir a tradução e selecionar palavras novas para seu dicionário personalizado.

1.4 Inglês com séries e filmes

- Assistir um episódio ou alguns minutos com a legenda em Inglês;
- Começar pelas séries/filmes já conhecidos;
- Identificar palavras e estruturas gramaticais já estudadas;
- Selecionar, se possível, alguma expressão ou palavra nova;
- Foco maior: identificar palavras e estruturas familiares.

1.5 Inglês no celular

- Mude a configuração do seu celular para o idioma “Inglês”;
- Identifique todas as palavras já conhecidas;
- Anote palavras novas em seu dicionário.

1.6 Lista de afazeres em Inglês

Criar uma lista de afazeres em Inglês te ajudará a fixar melhor o vocabulário e é uma excelente forma de trazer o idioma para o seu dia a dia. Você pode seguir o seguinte exemplo:

- *Go to the gym*
- *Study Maths*
- *Call my friend*
- *Reply the messages*
- *Walk the dog*
- *Do the dishes*
- *Prepare dinner*

1.7 Skimming

O que é o skimming? É uma leitura rápida do texto para a compreensão do assunto geral.

Objetivo: ter uma visão ampla do texto.

Ao realizarmos o skimming, não podemos nos deter em detalhes como palavras novas ou palavras das quais nos esquecemos.

Estamos em busca do assunto principal e do sentido geral do texto.

Você deve ter atenção ao layout do texto, título, subtítulo, primeiras e últimas linhas de cada parágrafo, fonte, figuras, gráficos e tabelas.

1.8 Scanning

Objetivo: encontrar informações específicas rapidamente.

Exemplos de informações que podem ser buscadas quando utilizamos essa técnica: datas, nomes próprios, lugares, verbos, números etc.

Leia primeiro o enunciado da questão e as alternativas grifando palavras-chave.

Tente localizar as palavras-chave grifadas no texto. Muitas vezes a resposta está na linha/parágrafo onde se encontra essa palavra-chave. Sendo assim, não é necessário perder tempo lendo o texto todo.

1.9 Cognatos e Falsos Cognatos

Cognatos são palavras parecidas com o Português (grafia, pronúncia) que realmente possuem um significado igual ou semelhante ao Português (sofa, car, television, film etc).

Brazilian Forces Claim Victory in Gang Haven

RIO DE JANEIRO - In a quick and decisive military operation, Brazilian security forces took control of this city's most notorious slum on Sunday, celebrating victory over drug gangs after a weeklong battle.

In the early afternoon, the military police raised the flags of Brazil and Rio de Janeiro atop a building on the highest hill in the Alemão shantytown complex, providing a rare moment of happiness and celebration in a decades-long battle to rid this city's violent slums of drug gangs.

An air of calm and relief swept through the neighborhood, as residents opened their windows and began walking the streets. Dozens of children ran from their houses in shorts and bikinis to jump into a swimming pool that used to belong to a gang leader. Residents congregated around televisions in bars and restaurants, cheering for the police as if they were cheering for their favorite soccer teams. "Now the community is ours," Jovelino Ferreira, a 60-year-old pastor, said, his eyes filling with tears. "This time it will be different. We have to have faith. Many people who didn't deserve have suffered here."

The Vikings Raiders, travelers or brave explorers?

The Vikings sailed the seas, attacked towns, and stole treasures all over Europe between 800 and 1100. They started from Scandinavia and attacked many countries in Europe. They settled in Britain, Ireland and France. They also crossed the Atlantic Ocean and arrived in Iceland and Greenland. They discovered North America but they also traveled east to Russia and south to Arabia.

They were good farmers and excellent shipbuilders. They used their ships for war. They also used them to carry people and goods to new lands. In winter, when there was not much farm work to do, they stayed home and did other interesting jobs. Men made swords to use them in battle. The Vikings liked swords so much they often decorated them with gold and gave them names. Women cooked and made clothes, shoes, and jewelry for themselves, their children and husbands.

In 866 the Vikings captured an Anglo-Saxon town. They called it Jorvik and it was the capital of the Viking kingdom for 200 years. They made Jorvik rich and one of the most famous cities in Britain. Some years ago, archeologists discovered part of that Viking town in York, the modern city of Jorvik. They found many things such as jewelry, coins and clothes. If you ever go to York and you want to travel back in time and see how the Vikings lived, visit the Jorvik Centre!

TRAVEL TIPS

How to Plan a Movie-Themed Vacation

It's easier than you may expect to find, visit, and enjoy the places where your favorite movies were made.

Lars Leetaru
By Shivani Vora
March 8, 2018

Whether it's the “Lord of the Rings” trilogy in New Zealand or “Roman Holiday” in Rome, many noteworthy movies are filmed in appealing locales all over the world that travelers may want to visit and enjoy.

According to Angela Tillson, a film location manager in Kauai who has worked on the set of films including “Jurassic Park: The Lost World” and “The Descendants,” exploring a beloved movie set destination through the eyes of the film makes for an enjoyable vacation. “Seeing a place with a focus on a movie you love will give you a perspective that the average tourist doesn't usually get. You'll certainly have a better impression of the place,” she said. Here are her tips to get started.

Choose Your Destination

If there's a movie you love, you can find out where it was filmed by looking at the credits at the end of the film or by going online to The Internet Movie Database, also known as IMDB, which often lists filming locations. Once you know the locale, you can start planning your trip. Or, consider doing what Ms. Tillson often does when deciding on where to vacation: pick a spot you're interested in visiting, and find out what movies have been filmed there. "It's fun to sometimes let a destination determine the movie you're going to live rather than the other way around," Ms. Tillson said.

Get in the Mood

Before you head to your destination, be sure to rewatch the movie. A rewatch not only reminds you of identifiable spots to look out for during your trip, but it also adds to the excitement of your upcoming exploration.

If the movie is based on a book, consider reading the book, too. It may have details about the locale that the movie doesn't touch on. Also, books often have scenes that don't make it into the movie adaptations, which gives you a deeper view of the destination. Ms. Tillson also recommended downloading the movie's soundtrack or score, and listening to it throughout your trip.

Book a Themed Trip

Some travel companies sell set itineraries focused on popular movies. Luxury tour operator Zicasso, for example, has an eight-day trip, all inclusive, to Ireland inspired by "Star Wars: The Last Jedi" and Wild Frontiers has an eleven-day trip to India inspired by "The Best Exotic Marigold Hotel." Ms. Tillson suggested doing a web search or checking with a travel agent to find out about such trips. Also, in some destinations, local tour operators and hotels sell movie-themed tours. For instance, The St. Regis Priceville Resort offers a tour that includes a private helicopter ride to Manawaiopuna Falls, made famous in "Jurassic Park," and an ATV tour of filming locations of movies such as "Raiders of the Lost Ark" and "Pirates of the Caribbean." Lunch is even included. The cost is \$5,674 for two adults.

A more affordable option, in Rome, is the four-hour "Roman Holiday" themed excursion from HR Tours, where travelers ride a Vespa with a driver and see all the sites from the movie; the cost is 170 euros per person.

Hang Where the Movie Crew Did

When they're not working, movie crews enjoy hitting local bars and casual restaurants that serve tasty local cuisine, Ms. Tillson said.

Find out where the behind-the-scenes staff of your film spent their time by asking your destination's tourist board or your hotel's concierge, and check out a few of the spots. "It's another way to get involved in the film and spend time in bars and restaurants that you wouldn't normally think to hit," she said.

RIO DE JANEIRO, BRAZIL – Exactly one month after Brazil’s most deadly mining disasters, firefighters and volunteers still search for at least 131 people still missing under tons of mud left behind after a dam in the Feijão mining complex, owned by Brazilian giant, Vale, gave way on January 25th. So far 179 corpses have been retrieved and identified.

“The search starts at 5am, when the teams get up. At 6:30 am, we gather for directions, a safety briefing and guidelines of what will be done throughout the day. The teams are then taken into the field,” firefighter Lt. Col. Anderson Passos tells journalists.

“At the end of the day, when the teams return, they give us feedback on how the search went. We then hold a meeting to plan the next day and everything repeats itself,” concluded the official.

Text: Rio de Janeiro

“Rio de Janeiro is Brazil's heart, its cultural capital and emotional nerve-center (...). It's wise to remember that the romantic sparking lights that glimmer in the hillsides illuminate the city's notorious shanty towns. Crime, especially in the tourist-filled Copacabana district, is common. Most visitors are easy targets, if only because they usually lack a tan. Don't wear expensive watches or jewelry and carry as little cash as possible, especially when going to the beach. (...) The subway system (Metro) is clean,

fast and efficient, but only goes as far as Botafogo. It does not extend to Copacabana. Buses are plentiful but are uncomfortable and can be dangerous. (...) Business visitors should not be surprised when meetings start late or executives are informally dressed. This relaxed attitude is counterbalanced by the “carioca’s” quickness and creativity. “Cafezinhos” (literally little coffees), usually highly sugared, and mineral water are staple of nearly every business meeting in this city. In meetings between men and women (and between women), kisses on both cheeks are common. Men shake hands enthusiastically. Cariocas are easy going and slow to take offence. (...)”
